

| <u>Chakra</u> | <u>Association</u> | <u>Gland</u> | <u>Color</u> | <u>Mantra</u> |
|---------------------------|---|--------------|----------------------|---------------|
| 18th Chakra of Fiery Tree | <p>8D chakra represents super creativity, love, and clear guidance from higher powers. When Moses saw a burning bush -- this was a symbol for rooting his 18th chakra activation. Easily unbalanced. Pleideans, Carians, and Avians connect here.</p> | | bright red and green | |

| | | | | |
|------------------------------------|--|--|------------------------|--|
| <p>17th Holy Fire Chakra</p> | <p>8D. Represented as fire consuming a living plant. It is connected to the Atar and Agni -- the holy fire. It represents ideas, opportunities, support and clear guidance from higher powers, vivid dreams, friendship, and love. Easily unbalanced -- it demands working with earth chakras too.</p> | | <p>bright red</p> | |
| <p>16th Chakra of Fertile Soil</p> | <p>7D balances easily. Higher-level harmony, compassion, cooperation, and creative platform. Higher source of wealth and abundance. Quantum level genetics. AA Metatron, Guanyin/KwanYin/Quanyin</p> | | <p>Yellowish white</p> | |

| | | | | |
|-----------------------------------|---|--|---------------------|--|
| <p>15th Chakra of Solar Sword</p> | <p>7D brings the power and drive to realize one's ideas. It brings forth warrior and father archetypes. AA Michael, Indian hero Trita and Feline or Reptilian super-civilizations. If you want to work here -- you MUST balance it with earth energies and earth chakras!</p> | | <p>Golden white</p> | |
| <p>14th Chakra of Alchemy</p> | <p>6D to 7D chakra is very transcendental and almost perfectly balanced. It governs energy flow, the rule of eternal change, metamorphosis, and transformation. It rules quantum levels of appearance and disappearance and rules over teleportation. 6D. Easily balanced. Good for</p> | | <p>White</p> | |

| | | | | |
|----------------------------|---|--|-----------|--|
| 13th Chakra of Upper Homes | balancing one's ego and for building the opportunity to be incarnated into the higher worlds. It is among heavenly sources of wealth and abundance. Brahma connects here. | | turquoise | |
|----------------------------|---|--|-----------|--|

Super-Solar, great central sun.

| | | | | |
|------------------------|---|--|----------------------------|--|
| 12th Great Central Sun | 5D and 6D. Purity of consciousness, awareness, higher intelligence, and an additional level of emptiness. Arcturians, Pleiadeans, Andromedans and Vegans/Lyrans, and some other super-angels. Union with God is felt here. Easily knocked out of balance. When unbalanced illusion or mental health challenges prevail. AA Uriel, as well as Shiva, connect here. | | golden-sunny or light pink | |
|------------------------|---|--|----------------------------|--|

| | | | | |
|-----------------------------|--|--|---|--|
| 11th Christed Consciousness | Land of Love, Consciousness of Love. 5d. Higher love (agape), transcendental consciousness, and emptiness. Main heavenly source of our genetic blueprint and kundalini essence. It is the chakra of eternal life. Wisdom, spiritual sensitivity, and intelligence. Allows for feeling the depth of Self. AA Raphael and Arcturians like to connect here. Communication with higher dimensions or masters of wisdom. It has an innate inner balance and is very solid. It also correlates to the full moon. | | Very light and bright orange or snow white. | |
|-----------------------------|--|--|---|--|

| | | | | |
|-----------------------------------|--|--|---|--|
| <p>10th Intergalactic Gateway</p> | <p>Galactic or Shamanic Chakra. 5D. Value of friendship, to higher and more intensive creative powers, and to eternal life. Basic levels of scalar energy (zero-point electromagnetic field energy). First of the heavenly chakras, source of wealth and abundance. With this chakra balanced, manifestation and creation become near-effortless. Soul travel, telekinesis. Arcturians & Pleiadeans like to connect through this chakra. If unbalanced - and it is delicate -- it can gather false light and seek guidance in darker forces.</p> | | <p>very bright yellow -- very bright Golden Light</p> | |
|-----------------------------------|--|--|---|--|

| | | | | |
|----------------------------|---|--|--|--|
| <p>9th Stellar Gateway</p> | <p>4D chakra, Unity, Light and focused energy, advanced sources, and connections to spiritual realms. It helps us to rise above dualism to Unity Consciousness. It governs higher creativity and long life. At this level, one feels to be their true self. Invisible world/unseen realms entities are easily detected here. Sensitive -- can run hot and requires balance. When unbalanced can represent false light and an egoistic approach.</p> | | <p>bright blue-green or bright beige tones</p> | |
|----------------------------|---|--|--|--|

| | | | | |
|--------------------|---|-----------------|---|--------------|
| 8th Soul Star | 4D reality, duality & reconnection. Basics of higher awareness, communication, new ideas, friendship, love, and compassion. It gives us support and protection from higher powers and the beginnings of energy sensation. If unbalanced can allow influence from darker forces. Connection to invisible worlds/unseen realms. | | ultra-violet, magenta or light blue-green | |
| Crown | | pituitary gland | | I understand |
| Third Eye/Brow | | pineal gland | | I see |
| Throat | | thyroid | | I speak |
| Heart | | thymus | | I love |
| Solar Plexus | | adrenal glands | | I do |
| Sacral | | sex hormones | | I feel |
| Root | | gonads | | I am |
| Incarnation Chakra | practical implementation of the soul journey for current life | | | |

| | | | | |
|---|--|--|--|--|
| Incarnation Chakra/Dolphin Matrix | connection to ancestry, tribe, clan | | | |
| Leadership Chakra/Inner Earth Cities | Anima, in contact with a female archetype | | | |
| Earth Centering Chakra/Whale Matrix | links to archaic earth energies | | | |

| | | | | |
