Mary Magdalene, Apostle to the Apostle, was a feminine leader of the early Christian movement before it had a name. The ministry of love. The wisdom and teachings of Yeshua, John the Baptist, and the Essenes embraced the pillars of sacred activism, equality, and inclusion. Magdalene's wisdom and ministry may have been intentionally buried for centuries, but her energy has been steadily rising, empowering us to be the bridgebuilders of a collective consciousness that is steadily rising today.

Join Gretchen for an experiential circle of channeled wisdom and practices to support your daily devotions in these sacred times of transition. Gretchen has been actively channeling Mary Magdalene for ten years. **6/14/26 Sunday: 4-5 pm ET Dream Temple Prep Call -- you MUST attend this call if you are going to participate in the CPP Dream Temple over the next few nights.**

**Gretchen Kehan Facilitating**

Collective dreaming is the art of joining hearts and minds in the shared space of imagination and intuition. When we dream together, we amplify insight, creativity, and guidance beyond what any one person can access alone, weaving visions that honor both the individual soul and the greater whole. It is a practice of deep listening, co-creation, and awakening, where the collective mind becomes a portal to wisdom, healing, and possibility.

Raising our consciousness and diving deeper into our psychic attunement, we will create an intimate, trusted space for collaborative dream work. Dreaming preparation and practices will be shared. We will choose one dreaming inquiry for our group and dream over the next (2-3) nights. Please note that attendance at the CPP Dreaming Circle on June 17th is required.

**6/17/26 Wednesday: CPP Dreaming Temple 7-9 pm ET**

**Gretchen Kehan Facilitating**

We'll be learning and experiencing how our multi-dimensionality can be experienced on behalf of groups and expressed through this collective practice.

This is our collaborative dreaming interpretation circle. Please come prepared with your notes and recollections from your dreams. Together, we will weave our shared dream on behalf of ourselves, our circle, and the collective.

**7/10, 7/17, 7/24, 7/31 Fridays: Office Hours**
